

R & N HYDRAULICS WARRANTY INFORMATION

R&N Hydraulic Products herein supplies a limited express warranty to its buyers who purchase standard or custom R&N Hydraulic Cylinders ("Cylinders"). R&N Hydraulics warrants that such Cylinders are free from defects in material and workmanship for a period of 12 months from the date the Cylinders are shipped from R&N Hydraulics facility. R&N Hydraulics will repair or replace, at its sole option, Cylinders that are found to be defective in material or workmanship upon inspection by R&N Hydraulic personnel when the Cylinders have been used under conditions for which the Cylinders were designed to operate. No warranty will be in effect for any of the following reasons:

- Chemical attack, corrosion or erosion;
- Non-compatible or dirty hydraulic fluid;
- Seal degradation due to contamination (including hydraulic fluids), excessive heat or misapplication;
- Excessive side loading;
- Maintenance or disassembly of the cylinder if performed by anyone other than R&N Hydraulic personnel without R&N Hydraulics' permission, prior to the date of warranty expiration;
- Removal of the R&N Hydraulics ID tag indicating bore, stroke, and other information concerning traceability; or
- Instances of improper installation or misapplication of the Cylinders.

Due to the variety of operating conditions and applications for the Cylinders and R&N Hydraulics related products, R&N Hydraulics recommends that Buyer analyze all aspects of the application and carefully select the correct cylinder product to fit the buyer's application. Buyer is solely responsible for the cylinder product selection in assessing that all performance, safety and warning requirements of the application are met. **IMPROPER CYLINDER PRODUCT SELECTION, MISAPPLIED ENGINEERING OR IMPROPER USE OF THE CYLINDERS AND RELATED PRODUCTS DESCRIBED HEREIN MAY CAUSE DEATH, PERSONAL INJURY AND /OR PROPERTY DAMAGE.** R&N Hydraulics does not imply or represent that the Cylinders will work properly in any customer application. No sales agent of R&N Hydraulics shall have the right to determine warranty periods, terms or conditions for Cylinders if such statements by the sales agents are different from those included herein. Buyer understands that R&N Hydraulics will not be held liable for any other costs or damages including any charges for removal, installation, assembly or any other charges in connection with the replacement or repair of the Cylinders. All returned products must have, before being returned to R&N Hydraulics, an "RMA" (return material authorization) number assigned to it by R&N Hydraulics' customer service department.

THE WARRANTY STATED IN THIS SECTION IS R&N HYDRAULICS' SOLE AND EXCLUSIVE WARRANTY PERTAINING TO THE CYLINDERS, AND R&N HYDRAULICS HEREBY DISCLAIMS ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE FOR THE CYLINDERS.
